

December 20, 2011

BC Hydro's contractor (Adept Vegetation Management Inc.) will be conducting routine vegetation maintenance along the Transmission Right-of-Way corridor that parallels Munn Road running between Millstream Road and the Pike Lake Substation.

This work is to ensure the safety and reliability of the electrical system is maintained and will be conducted over the months of December and January.

Thank you for your understanding.

Chris MacNeal, RPF, ISA Certified Arborist
Transmission Vegetation Coordinator, South Vancouver Island
