

### **Heritage Select Committee**

The Committee met on Jan 12<sup>th</sup>, and primarily discussed their proposed 2022 Work Plan. The committee has agreed on their proposed priorities and will be bringing those forward to Council for review and approval in the near future. Thanks to Ms Beckett for her support to the committee.

### **WSP&R Board**

The Board met January 20<sup>th</sup>

Some updates that are not covered in the Administrator's report include:

Election of officers occurred, and Kyara Kahakauwila (Metchosin) was re-elected as chair and GVLRA representative, Damian Kowalewich (View Royal) remains vice chair, and Stewart Parkinson (Colwood) remains, Chair of the Finance Committee. I remain the GVLRA alternate.

New registration software implementation had a few hiccups just due to volume on the first major registration day; issues were addressed largely without much disruption to clients.

The Seniors association have delayed their planned re-opening until at least February to wait for COVID restrictions to change; the site continues to host a COVID testing site. Restrictions had an impact on fitness activities and the organization is adjusting again to the latest changes.

Re the 2022 budget process: Wei Wu (the new Manager of Finance) and Grant Brown (CAO) will be supporting discussions of the proposed WSP&R budget in the near future for Councils that would like their participation / presentation.
