

**Recommendation: Sustainable Land Use Select Committee,
November 17, 2021**

RE: BIRD SAFETY GUIDELINES, BUILDING BYLAW

To Council
January 24, 2022

Recommendation:

“That Council include bird-safety guidelines in the District of Highlands buildings bylaw including the requirement to include bird safety guidelines in building and window design and in particular the requirement that glass or transparent deck-railings have an effective collision-avoidance treatment”.
