

DISCUSSION

All requests for community hall rental waivers are submitted in written form and forwarded to Council for consideration.

The Highland Parks and Recreation Association has asked the District to waive the rental, caretaking and refundable security deposit fees for the community hall to hold a community workshop.

The District does not have a formal policy in regard to granting full fee waivers for the rental of the community hall; as indicated, the District's policy is for a subsidized rate.

RECOMMENDATION

That Council provide direction on the request from the Highland Parks and Recreation Association regarding a rental waiver of the community hall for a community workshop to be held July 23, 2022 from 10:00 am to 12:30 pm.

Respectfully submitted,
