

Councillor Rose Stanton
Report to Council February 6, 2023

On January 19, 2023, I attended a meeting of the Intermunicipal Advisory Committee on Disability Issues.

Discussion included the importance of an accessibility assessment when building trails. Resources on how to build accessible trails can be found on IACDI's website on the City of Colwood's website.

Next IACDI Meeting is the AGM on February 16, 2023.

On January 26, 2023, I attended my first meeting of the Victoria Family Court & Youth Justice Committee.

One item of note discussed at the meeting was that the funding for the Mobile Youth Service Team (MYST) will end on March 31st.

On January 27, 2023, I went on a ride-a-long with Westshore RCMP Cst. Olsen. I had a tour of the detachment and then we went for a ride through the detachment's coverage area. Westshore RCMP has a huge area to cover.
