B. APPLICATION INFORMATION

All of the following information is required in order to begin processing your application:

1. I have enclosed:
 - a current State of Title Certificate for each property;
 - copies of all charges indicated on the title (restrictive covenants, easements, etc);
 - a current BC Assessment Authority Notice showing property tax classification;

Ten copies of a sketch plan drawn to scale and showing the following information:

- all proposed lots, remainders and roads in relation to adjacent properties, extending at least beyond the far edge of each adjacent property
- all pertinent dimensions, existing road names, north arrow and perimeter of the proposed subdivision
- the accurate location and outline of all existing buildings and indicate which will remain after subdivision
- the nature, location and dimensions of any restrictive covenant, easement or right-of-way affecting the proposed subdivision
- the accurate locations of wells, sewage disposal facilities, percolation test holes and soil inspection holes, water lines, sewage lines, hydro/telephone lines, driveways
- the accurate location of all lakes, river, ponds and drainage courses that shows the natural boundary of each
- a contour plan of the subdivision area if any of the terrain slopes more than 10% (do not use average slope to determine if a contour plan must be supplied)

2. Under section 26.1 of the *Waste Management Act*, a person who knows or reasonably should know that a site has been used or is used for industrial or commercial purposes or activities must in certain circumstances provide a site profile (site profile attached).

Schedule 2 of the Contaminated Site Regulations sets out the types of industrial or commercial purposes or activities to which site profile requirements apply. (Schedule 2 attached).

- 3. I have flagged the corners of the property, the proposed lot lines, the proposed roads and the percolation test holes.
- 4. Is the property location within the Agricultural Land Reserve? YES NO
- 5. Is the property located within the Forest Land Reserve? YES NO
- 6. I have indicated in Section C:
 - if the property is subject to any natural hazards (i.e. land slide, rock fall, erosion, flooding, avalanche);
 - if the subdivision is for a relative (i.e. Section 946 *Local Government Act*).
