

SOUTH HIGHLANDS LOCAL AREA PLAN UPDATE: OCTOBER 13, 2020

PROJECT OVERVIEW

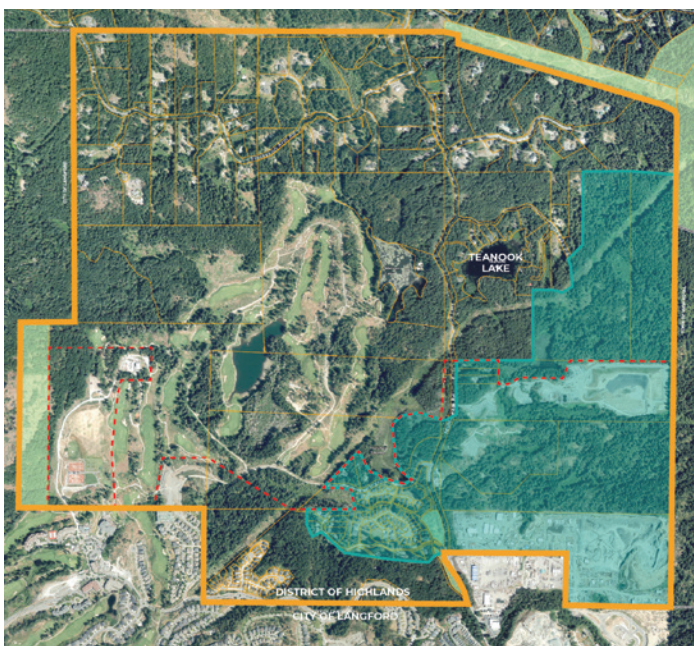

The District is developing a Local Area Plan for the South Highlands (SHLAP) with the goal of providing a clear vision and roadmap for future land use in the area. The LAP will include objectives, policies, guidelines, and implementation priorities to inform future action and decision-making.

A key aspect of the process is community consultation, with multiple opportunities for feedback and engagement throughout. We invite you to participate online and/or in person and stay up to date on the project.

The LAP process will include 3 primary phases:
