LET YOUR VOICE BE HEARD

PROJECT UPDATE: OCT 23RD, 2020

The District is developing a Local Area Plan for the South Highlands (SHLAP) with the goal of providing a clear vision and roadmap for future land use in the area.

The LAP process will include 3 primary phases:

Common themes + directions so far include:

- Protecting groundwater and surface water
- Requiring innovative green development
- Conserving forested areas and maintaining wildlife corridors
- Finding ways to mitigate heavy truck traffic on Millstream Rd
- Creating/enhancing off-road routes for walking and cycling
- Supporting the creation of local businesses and gathering places (e.g., market, cafe)

We have extended the survey window until **November 18th, 2020**.
