## Terry Boyle !

Bridging the gap between the east coast of Ireland and the east coast of Vancouver Island, between a song and its story, between a tune and its tradition, singer, guitar player, song writer, **Terry Boyle**, a native of Dublin, cherishes every opportunity to perform.

Delving into his vast repertoire of Celtic songs, some teary, some cheery, some sing-along and some from the archives, Terry has a song or story for almost every occasion. He also continues to enhance his reputation as a writer of fine songs on many topics - social commentary, relationships, the whimsical, the historical.

Following "Terry Boyle", his first CD of original songs, Terry released a 7-song album, "Life's Too Short" in November 2018. A new album of eight original songs "Cast a Cold Eye", was released in July 2025.
