The Murray Fitch Trio!

The Murray Fitch Trio is an alt-folk band fronted by songwriter **Murray Fitch** with friends **Richard Poitras** on bass and **Brad Hawkes** on drums. At this event, you'll hear music that make you think, laugh, perhaps cry, & tap your toes. There will be songs on all sorts of topics including love, loss, the Malahat, irresponsible grandparents, and the futility of trying to keep a weed-free lawn. Come prepared to be entertained and even sing along to songs you don't know yet.

Murray is a multi-instrumentalist. For Highlands, he will be bringing his guitar, banjo and ukulele. **Richard**, classically trained on the bass, is a master of numerous musical genres including folk, swing and jazz. **Brad** is a drummer and long-time South Island favourite to audiences and musicians alike.
