TRAFFIC ADVISORY

TripleShot CrossFondo Cycling Fundraiser Sunday on the Saanich Peninsula

The 10th annual Tripleshot CrossFondo presented by Hakai Energy Solutions, a fundraiser for the youth program of the TripleShot Cycling Club and local trail community societies will see over 300 cyclists on the Saanich Peninsula this **Sunday, Oct 18, 2026**.

The Tripleshot CrossFondo's number one priority has always been the safety of participants and volunteers. Working with ISL Engineering and Land Services in the development of a Traffic Safety Plan, the course is designed with a view to rider safety. While approximately 80% of the Tripleshot CrossFondo takes place on trails and private property that landowners provide access to for event day, there are some places where cyclists cross or ride on public roadways.

The event has always required trained, paid traffic control staff at intersections where traffic requires control. Riders are briefed on road safety and must adhere to the same rules of the road as drivers. Where cyclists have the right of way, trained (volunteer) course marshals are in place to help ensure the safety of both cyclists and motorists.

The event starts at Layritz Park, Layritz Avenue, crossing roads in Saanich on Sunday morning, from 9:10 -11:30 a.m. Affected points are:

1. Interurban Rd @ Viaduct Ave
2. Prospect Lake Rd @ Francis King Regional Park
3. Munn Rd @ Francis King Park
4. Munn Rd @ Woodridge Place
5. Hartland Rd @ Kiowa Rd
6. Willis Point Rd @ Wallace Dr
7. Sparling/Prospect Lake Rd @ West Saanich Rd
8. Interurban Rd @ Quayle Rd

There are approximately 300 riders registered for the two distances (45km and 25km) and 140 volunteers. More than 50 landowners are opening their properties for this one day. The event is supported by many local sponsors and suppliers including: Hakai Energy Solutions, The Universal Group, Totangi Properties, Unity Power, ISL Engineering, WhistleBuoy Brewing, Spinnakers, Level Ground Coffee Roasters, RDH Building Science, Wholly Noggin, Varsha Indian Kitchen, Western Water Associates Ltd, eclipse360, Red Barn Market, Hertel Meats, Eurosa Farms, Country Grocer, Innovera Consulting, Better Print, Mars Snacking and Canadian Linen.

About the Tripleshot CrossFondo

The annual TripleShot CrossFondo is the premier fundraising event for the Tripleshot Youth Team; funds raised support the development of year-round training for 8–18-year-olds by certified coaches and help keep monthly fees manageable for families. The riders learn cycling skills in a fun and safe environment, train hard and love to compete in cross, road, track and mountain bike events at local, provincial, national and international levels. Whether these young riders continue to provincial and national levels is not the goal; the program's focus is to provide opportunities for them to learn the skills to be a lifelong cyclist. In addition, funds are used to support development and maintenance of Greater Victoria's amazing trail systems. Since 2016, thanks to the generous donations of our participants, more than \$17,000 has been donated to support the South Vancouver Island Nature Trail Society and the South Island Mountain Bike Society, two hard-working not-for-profit organizations that work to connect and build trail systems for all to enjoy.
